Sky-Watcher is currently seeking a suitable and long term technical writer who can write future instruction manuals and rewrite current instruction manuals for Sky-Watcher products.

If you are a seasoned astronomer and enthusiastic fan of Sky-Watcher telescopes, and if you have savvy technical writing and excellent communication skills, this is the perfect job for you! You will be one of the first persons to experience an upcoming new telescope or mount and teach others on how to assemble and operate it! We will be responsible for getting the products to you to start using and writing about them right away.

If you are interested in this opportunity, please submit your cover letter, resume and a recent copy of your technical writing sample to [customer\[at\]skywatchertelescope\[dot\]net](mailto:customer[at]skywatchertelescope[dot]net). Please also state your availability, expected remuneration and any other supporting documentation along with your application.
