APPLICANT'S STATEMENT

By signing this application, I certify that I have read, understand and will adhere to the 2016 Wood Burning Device Change-out Incentive Guidelines, and agree to all of the following:

- I will be removing an operable, old device or modifying an open hearth fireplace at the project address specified on this application.
- The wood burning device is located in a residential or commercial property that I currently own.
- I have not started work of any kind on the project I am applying for.
- I will not make any payments to my chosen device retailer or installer and I will not begin any work on my change-out project until I have received an approved voucher from the APCD.
- Submission of this incentive application does not guarantee receipt of a voucher for my change-out project; this grant program has limited funds and will terminate upon depletion of program funding.
- To be considered for funding, this application must be complete with the prescribed photographs and all requested information.
- I authorize APCD staff, officers or agents to conduct all necessary on-site inspections of the old device being replaced and of the new installed device in order to verify compliance with program requirements.
- I understand that a City of Paso Robles (inside city limits) or County of San Luis Obispo (outside city limits) building permit is required to complete the installation of the new stove or insert and to receive the reimbursement.
- Check one box below.

I have included the required pre-installation photos with this application (faxed photos not accepted).

I will email the required pre-installation photos to mfield@co.slo.ca.us.

- I indemnify, defend and hold harmless the APCD and their officers, employees, agents and contractors, from and against any claims, liabilities, costs, damages or losses of any kind that arise from or are alleged to arise from my participation this wood burning device change-out program.
