SLO County Air Pollution Control District

WHO: The Community's Vision of Clean Air Mural was a collaboration between the SLO County Air Pollution Control District and Cal Poly Art Student, Lauren Goldenberg.

WHAT: APCD is excited to hold a Ribbon Cutting Ceremony to celebrate its first ever Art Mural Contest. In September, the APCD held a contest looking to partner with a local artist in San Luis Obispo County to showcase their creativity and design in the form of a mural displayed in the APCD's Auditorium. Since then, the winning artist has been working to complete the mural – which reflects her vision of clean air in San Luis Obispo County. The mural depicts several well-known landmarks throughout the county and fully represents the beauty and uniqueness of our area in a creative and artistic way.

WHERE: SLO County Air Pollution Control District
3433 Roberto Court, San Luis Obispo

WHEN: Wednesday, January 6, 2016 at 1:00 p.m.
The Ribbon Cutting will take place immediately preceding the APCD Executive Committee Meeting at 1:30 p.m. Light refreshments will be served.
