Subject: [EXT]Nipomo Air Quality

ATTENTION: This email originated from outside the County's network. Use caution when opening attachments or links.

As a resident of the Nipomo Mesa, I am extremely concerned by the inaction of State Parks to mitigate the dangerous air pollution coming from La Grande tract at Oceano Dunes. It is time to stop all riding there!

There have been many ignored warnings over the years, and no more delays should be entertained. Our health is suffering, and many that can afford to move are leaving Nipomo.

Sincerely, Kathleen Boyd
