SUBJECT: California Department of Parks and Recreation's March 28, 2019 Oceano Dunes SVRA Draft Particulate Matter Reduction Plan in Response to Stipulated Order of Abatement Number 17-01

Dear Mr. Canfield,

Thank you for submitting the revised Oceano Dunes SVRA Draft Particulate Matter Reduction Plan (DPMRP) dated March 28, 2019. This version of the plan will be the basis for the 30-day public comment period prior to the public workshop to be held at the South County Regional Center, 800 West Branch Street in Arroyo Grande on May 1, 2019 at 6 p.m. The updated draft plan will be posted on our website slocleanair.org today.

As previously discussed, the Scientific Advisory Group (SAG) may have some minor recommendations for refinements to the extensive revisions to section 6.3 Particulate Mitigation Plan and related new attachments 8 & 9.

Feel free to contact me at any time.

Respectfully,
