RELEASE DATE: September 8, 2021

CAL FIRE Suspends All Outdoor Burning

CAL FIRE San Luis Obispo – Due to the current fire conditions and the amount of fire suppression resources committed to the fires in Northern California, effective today; Tuesday September 8, 2021 at 8:00 A.M. CAL FIRE suspends **all outdoor open burning** within the State Responsibility Areas and any Local Responsibility Areas under CAL FIRE Contract in the SAN LUIS OBISPO County.

This burn suspension bans ALL outdoor burning including campfires, warming fires, and ceremonial fires.

This order is made under the authority vested by the Director of the Department of Forestry and Fire Protection as per section 4423.1 of the Public Resources Code. This suspension of burning will be reassessed when critical fire conditions decline and or the amount of fire suppression resources committed to the large fires become locally available.

For more information on how you can help spare the air in San Luis Obispo County you can contact the San Luis Obispo County Air Pollution Control District at (805) 781-5912 or www.slocleanair.org.

CAL FIRE is asking residents to ensure that they are prepared for wildfires including maintaining a minimum of 100 feet of Defensible Space around every home.

In specific locations, above ground charcoal only barbeques within organized campgrounds or picnic areas may be acceptable by the responsible jurisdiction for the site. The public is cautioned that they are liable for any fire they lose control over.

For additional information on preparing for and preventing wildfires visit: www.ReadyForWildfire.org
