OCEANO DUNES DRAFT PM REDUCTION PLAN PUBLIC WORKSHOP

SAN LUIS OBISPO, CALIFORNIA: – SLO County Air Pollution Control District, in collaboration with California State Parks would like to invite the public to participate in the upcoming May 1st workshop, which will provide an opportunity to review the Draft Particulate Matter Reduction Plan, solicit public feedback and discuss next steps. There will be presentations by APCD and State Parks, a question and answer panel with the Scientific Advisory Group and breakout stations.

May 1, 2019

6:00 p.m.

**South County Regional Center
800 West Branch Street, Arroyo Grande.**

Due to the structure of the workshop, the public will be given question & comment cards at the beginning of the workshop. Comments submitted by the public will be posted to the SLOCleanAir.org website following the workshop. Questions submitted by the public will be gathered and staff will present the questions during the workshop.

The public may also submit comments regarding the DPMRP in advance of the workshop, to info@slocleanair.org. More information about the workshop agenda will be provided closer to the workshop date.
