

APCD BOARD OF DIRECTORS

I have lived in Nipomo for almost 20 years. I moved up to SLO from LA, because of the beauty of the area (blue skies and cool breezes).

I grew up in LA and I remember all the Smog Alerts we would have. Kids could not play outside, and you could not see the Mountains, because the air was so Polluted.

So, I would like to work with the APCD to help preserve air quality at the local level. I have attended and viewed all the Hearings and meetings open to the public by the APCD for the last few years. I have been on call for the last 3 years as an Alternate Public member of the APCD Hearing Board. I also have taken the required APCD courses for Hearing board members.

I am a fair- and open-minded person and can work well with other members of the Hearing board and the public. I worked with the SLO Grand Jurors for two years and we produced some excellent reports about air quality in the county.

I am asking that you support me as an Alternate or Public member of the APCD Hearing Board.

Thank you,

Jim Fitzgerald
