Lake Nacimiento- Beginning Thursday, October 13, 2022, burning of hazardous vegetation will occur in the Running Deer area along Gage Irving Road. The Allen Burn Unit is West / Southwest of Lake Nacimiento. In cooperation with the SLO County Fire Safe Council, Monterey County Water Resources Agency, SLO County APCD, PG&E, the National Weather Service, the California Air Resources Board, and local landowners, firefighters from CAL FIRE will conduct a 400-acre burn.

Burning is expected to begin at 10:00 a.m. Smoke will be visible from the surrounding communities for the duration of the burn.

CAL FIRE will have engines onsite during all burn operations and throughout the weekend. If conditions are not within the established weather and resource parameters, burning will be suspended until a later time.

Prescribed burning is done in collaboration with the SLO County Air Pollution Control District. To monitor air quality in your neighborhood, visit SLOCleanAir.org
