**Bike to the Blues Baseball Game & the First 200 Get in Free!**

**SAN LUIS OBISPO, CALIFORNIA**, – On Saturday, June 21, the San Luis Obispo (SLO) County Air Pollution Control District (APCD), SLO Regional Rideshare, and the SLO County Bicycle Coalition are sponsoring a “Bike to the Blues Night” at the SLO Blues Baseball Game!

Kick off the first day of summer with some family fun in the sun and one of America’s favorite past-times - a baseball game! Bicycle over to the ball field and park your bike in the Bike Valet – those that show their bike valet ticket will get free entry. Walking to the ball park? Show us your route & you will get free entry too. The first 200 that walk or roll will get in free!

The night will kick off with a Kidical Mass Family Bike Parade around the park area at 4:30pm. Bring your family and helmets and join a fun ride that will be led by APCD’s mascot, Percy the Penguin and the Bicycle Coalition!

**Schedule of Events:**

- **4:00 pm:** [Arrive at the front entrance of Sinsheimer Park Baseball Stadium \(900 Southwood Drive, San Luis Obispo\) for Kidical Mass Family Bike Parade](#)
- **4:30 pm:** [Kidical Mass ride departs](#)
- **5:00 pm:** [Gates open at the baseball stadium and family events begin](#)
- **6:00 pm:** [Percy the Penguin throws out the opening pitch for Blues Baseball game](#)

What is Kidical Mass? Often called family bike happening, Kidical Mass is a venue for parents to teach their kids how to ride safely. This is the perfect chance to ride your bike in a parade with kids of all ages. No matter what your age, the ride is a blast for everyone!

“Bike to the Blues” is a collaboration aimed at encouraging adults and youth alike to rethink how they get to and from their favorite activities! Mobile transportation accounts for over 50% of air pollution in SLO County, so every trip taken by alternative transportation counts.
