AIR POLLUTION CONTROL DIST
SAN LUIS OBISPO COUNTY

Dear Members of the Board:

Re: Application for Public Alternate APCD Hearing Board Vacancy

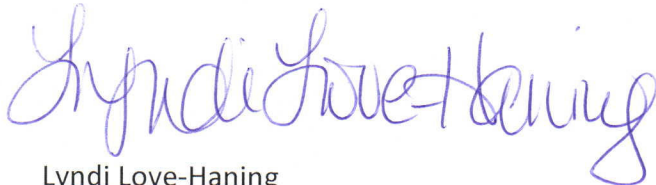

As a homeowner in San Luis Obispo County, I feel that air quality is an important aspect of our community's health and happiness. With no prior relationship to the San Luis Obispo Air Quality Control District or members of our current government, I believe I can be an impartial and fair public representative on the APCD Hearing Board Member. Also, as a female in my mid-thirties, I represent a large portion of our community's demographics, which is not represented on our current APCD Hearing Board. Diversity fosters more thoughtful discussions, leading to the best outcome for the community the board works to protect.

In my professional life, I worked for a civil engineering and land planning firm for nearly five years. During this time, I had the opportunity to work with many public agencies including Planning Commissions, Board of Supervisors and the California Air Resources Board. This experience helped me to understand that air quality is an important aspect to consider when balancing private and public interests.

As reflected in the attached list of my community involvement, I feel that volunteerism and giving back to the community is important for all citizens. When I moved to San Luis Obispo County, I immediately became involved in our local tourism industry and animal welfare. I am excited for the opportunity to serve on the APCD Hearing Board and grow my commitment to the citizens of San Luis Obispo County.

Thank you for your time and consideration. I look forward to meeting to discuss how I can be an asset to the APCD Hearing Board.

Respectfully,

Lyndi Love-Haning
