Bike & Pedestrian Breakfast to Celebrate Rideshare Month 2013
Friday, October 4 from 7:00 am – 9:00 am

Join San Luis Obispo (SLO) County Air Pollution Control District (APCD) on Friday, October 4 to celebrate Rideshare Month 2013 by biking or walking to our Bike/Ped Breakfast at the APCD office, located at 3433 Roberto Court in San Luis Obispo. Top off your tank with tasty breakfast items and coffee. Rideshare will also have fun giveaways for those who stop by the breakfast.

The APCD wants to recognize all Rideshare Month participants for using bikes, feet, vanpools, carpools or transit as part of their personal transportation choice. Opting to replace some vehicle trips with alternative transportation is a great way to improve your fitness, connect to your community, and reduce air pollution. As a long time sponsor of Rideshare Month, the APCD is excited about Rideshare Month's self-sustaining momentum with steady increases in participants and events over the years.

October is Rideshare Month! Change the world, one commute at a time. Whether you want to help the environment, save yourself some cash, or just lower your blood pressure, October is a chance for commuters to get rewarded for making smart commute choices.

Go to <http://rideshare.org/RideshareMonth2013/2013Events> to check out all of the Rideshare Month events on the Rideshare calendar.
