

small group QUESTIONS

1. Section I in your outline is the ideal place to start. Pastor James exhorts us to always Share Jesus.

Is this easy or difficult for you?

2. Discuss how complaining can lead to a misrepresentation of the goodness of God in the gospel (see Section II).

3. Think of the many things you have accomplished in life. How do they measure up to Jesus Christ?

Discuss your thoughts. Now don't be too discouraged, but rejoice in how God is working in you and through you.
