

# small group QUESTIONS

## Your response to the sermon

Did any of the influences of a mom (Hope, Strength and Joy) stir your heart in an unusual way during this week's message?

## The story of your life

In what ways did your mom demonstrate any of these influences in a way that would be a good role model to other moms? How has your mom helped you be the best version of you?

## Venturing Further

Some of the most strategic events in the Bible are triggered by the contribution of a mom. Look up the following passages and describe the influence of the mom in the life-changing story.

*2 Timothy 1:3-5*

*Exodus 2:1-10; Hebrews 11:23-26*

*1 Samuel 1:19-28; 2:18-21*

*Luke 1:26-45*

## Living it Out

Discuss in your group two or three ways you can help the most important people in your life discover hope, strength and joy this week.
