

# small group QUESTIONS

## Your response to the sermon

When looking at the Prodigal Son story, what kinds of thoughts and feelings go through your head when reading, and/or hearing it?

## The story of your life

Thinking back on your life, can you discern moments when you were like the prodigal son? How about the brother? Perhaps, even the father? May we all be more ready and willing to be like the father, with open arms of grace and forgiveness.

## Venturing Further

Look into these collections of verses aloud together:

Luke 15; 1st read v.1-10, then v. 11-32

Matthew 13:1-52

Revelation 2-3

Ephesians 2:1-10

## Living it Out

Look at the headings for Sections I through III of your outline (I. Humility-Attitude II. Hope-Action III. Healing-Answer). How should these 3 ideas work in our lives for the better towards our neighbor, with our focus and attention on Jesus Christ?
