

small group QUESTIONS

Your response to the sermon

We all have important questions. Out of the 10 Questions in your outline, which ones do you struggle with the most? Perhaps you struggle with another question not mentioned. Now – in your Small Group – is a great time to openly discuss these things.

The story of your life

Jesus is the Way, the Truth, and the Life (Jn 14:6). All the events of His earthly ministry came by way of triune orchestration (Jn 11:4, 15). In the telling of Lazarus, we see that Jesus gives life, resurrecting Lazarus as a sign of His own and those that belong to Him (v 44). Can you recall the moments in your own life when Christ, by His Spirit, raised you to newness of life (Rom 6:4; Col 2:12)?
