

small group QUESTIONS

Your response to the sermon

We all have our favorite books, chapters, and verses in the Bible. What's yours? With the group, describe what God has showed you in His word.

The story of your life

This past Sunday, Pastor Shawn shared The Values that Move our Ministry. (see Section II). Looking at the acronym VENTURE, reflect on the answers there and the ministry motivations for our church family. How can these values help motivate our lives outside of New Venture? Can you think of times how this has already taken place in your life?

Venturing Further

Look into this collection of verses together:

Matthew 11:25-30

Luke 24:19-27, 44-49; John 5:30-47

John 1:14-18; 14:1-11

Colossians 1:15-20; Hebrews 1:1-4

Living it Out

Look over Section III. Think about the many changes God has made in your life (and thank Him!). Throughout this week, look for opportunities to share this testimony with people you meet.
