Your response to the sermon

Read over Hebrews 12:1-3 together as a group. May we look to Christ Jesus, the founder and perfecter (ESV), to satisfy our souls. Pray right now over each other's needs.

The story of your life

Just as when we are born and over time, grow up into an adult, the same growing experience occurs in the Christian life. We begin by God's grace as a newborn Christian (at any age) and progress in this life through His work in us and for us, being conformed to the image of Christ (Rom 8:29). How has this process been in your life?

Venturing Further

Living it Out

Pastor Shawn mentioned how, "No matter what you are going through in this life now – It's NOT The End!" We may forget this at times, but what a great reminder. Think about the purposes of God for His people, and may this spur you to love God and neighbor this week.
