

small group QUESTIONS

Your response to the sermon

Last week we looked at God's Woodshed—this week, it's God's Wait Room. Talk about the differences and similarities between these two modes of the work of God, cultivating our faith, and motivating our reliance and dependence upon Him?

The story of your life

When you look over the story of your life, can you readily see God's involvement in it, bringing you into His unsurpassable, more glorious story of redemption in Christ Jesus?

Venturing Further

Look into this collection of verses together:

Genesis 37; 39–45

Exodus 3–7:13; 13:17–17:7

Ephesians 3:4–21

Hebrews 12:4–29

Living it Out

Pastor Shawn gave us an acronym this last Sunday: FIRST (see Section II). Look over this section together and be in prayer this week to see how you can apply these concepts to your day-to-day life.
