Your response to the sermon

Seeing that God has chosen to use the weak and the lowly in this world—broken vessels such as us—to proclaim His fame across the globe, how will you respond this week to such a humble task?

The story of your life

Can you think of a moment when your will was contrary to God's will? Usually, there are too many times to count, nevertheless, God is patient with us. Reflect on a moment when God's kindness was shown to you, even in a "battle" of wills, that led to your repentance and God's glory.

Venturing Further

Look into this collection of verses together:

1 John 1:5-10; 2:3-11

Living it Out

Take a look at Pastor Bill's Action Steps (below Section III). Pray together as a group, that all will be committed to act on these ideas to further the witness of Jesus in our respective communities.
