

# small group QUESTIONS

## Your response to the sermon

The parable of the Prodigal Son is probably the most famous in Christian circles, and non-Christian circles, alike. It is very familiar around the world. And when thinking deeply about it, we have all been in 1 of 3 shoes: the prodigal, the brother, or the father. Can you remember yourself, in anytime past, that you have been in 1 of these 3 places? How about wearing multiple "shoes"?

## The story of your life

Take a look at Section III. Looking back at life, we have all fallen into these "Way's" at one time or another. Now upon your remembrance, take some time to discuss the moments in your life and the various "Way's" you've lived. Also talk about how glorious God's Way is.

## Venturing Further

Look into this collection of verses together:

*Luke 15:1-10*

*Luke 15:11-32*

*John 10:11-30*

*Hebrews 1:1-2:13*

## Living it Out

Every single Christian was once lost, but in Christ, is now found. Hallelujah! Be in prayer and think about ways that you can share this news with others.
