## Your response to the sermon

We all have needs. There are people in your life right now that can really benefit from your caring touch or listening ear or precious time. Does anyone come to your mind? Perhaps, you are in need. Share with your Small Group what is going on in your life. We are here for each other.

## The story of your life

Jesus listened to those wandering disciples before He revealed to them who He really was (Lk 24:30-32). It is a special thing to be listened to by others. Can you remember a time when someone was there for you when you just needed to be heard?

## Venturing Further

Look into this collection of verses together:

*Isaiah 41:1-16*

*Matthew 7:28-29; 8:16-17*

*Luke 24:13-35*

*1 Thessalonians 2:5-16*

## Living it Out

If there is one inevitability – it's time. We cannot get any time back. Every moment is a gracious gift (Prov 27:1; Eph 5:6-17). This week, think about all the time that God gives us and use it for His glory.
