

small group QUESTIONS

Your response to the sermon

Are you looking for a Fresh Fire and Fresh Desire in your spiritual life and walk? This weekend we learned about those who have 'ears to hear.' In Mark 4:3-20, Jesus gave us 4 types of listeners. Discuss what the 4 types are, taken from the Parable of Jesus, and a few in your group share what kind of listener you feel you are most representative of.

The story of your life

All of us desire a faith that gets God's attention, and brings answers to our prayers. With all of Jesus's power, why was He limited in healing people from His own hometown? How do we apply this to our lives today and what can we do not to miss God's blessings in our lives?

Venturing Further

This week 'Rumble Strips' were discussed during the message. Answer these questions: What are Rumble Strips and what are they used for? God also has Rumble Strips that he uses to warn us that we might be headed in the wrong direction. What Rumble Strips does God use in our lives today to keep us on the right track and moving in the right direction?

Living it Out

Let's close our time in prayer by spending time talking to God in Praise and Adoration, Confession, and asking God to meet the needs of those in our Small Group and Church Family.
