Your response to the sermon

This past Sunday we learned about how important money, possessions and wealth are to many people, but also why the subject was so important to Jesus. We learned that Prayer is mentioned 500 times in the Bible, Faith 458 times and Heaven 582 times. But 2,350 times in the Bible, money, finances & possessions appear - more than any other subject. In 11 of Jesus' 39 parables he talks about finances.

Why did Jesus ask for a denarius and ask who's inscription (image) was on the coin? Why does Jesus answer relate to Genesis 1:27?

The story of your life

The top of page 2, addresses many misconceptions we have about money & wealth. What are the 3 misconceptions noted in the Small Group questions. Speak to the one you feel is most prevalent to people's thinking today. Which one do you battle with most often today?

Living it Out

Let's close out our time in prayer: for our church, our Small Groups & ourselves, that we'll give the very best we can to God and that it'll be reflected in our loving, serving and giving! Just because he is worthy of so much more!!
