smartphoto group announces new share buyback programme

Smartphoto group, the innovative e-commerce group from Wetteren, announces today that the Board of Directors has decided to launch a new share buyback programme with a maximum value of 1 500 000 euro in treasury shares. The period starts on 6 March 2023 and ends on 31 December 2023, or sooner if the target value of treasury shares is acquired.

As provided for in the articles of association of smartphoto group NV, the Extraordinary General Meeting of Shareholders of 11 May 2022 granted the Board of Directors a power of attorney for this purpose, in accordance with article 7:215 of the Belgian Code of Companies and Associations. This authorisation is valid for a period of five years as from the publication of this decision in the annexes to the Belgian Official Gazette.

With this new programme, smartphoto group further aims to use the free cash flow partly to increase the pool of treasury shares as an investment, as well as to finance possible future acquisitions.

The Board of Directors of smartphoto group has again granted a discretionary mandate to KBC Securities for the execution of this new share buyback programme, which is authorised to buy shares of smartphoto group both by trading on Euronext Brussels as well as outside the regulated market, and this only during open periods. Block trades are also possible within this mandate. During the period of this purchase programme, smartphoto group will regularly inform the market about the transactions of purchase of its treasury shares via press releases, in accordance with the applicable regulations.

Currently, smartphoto group holds a total of 300 210 treasury shares, or 7.62% of the total number of issued shares (3 941 950).

The overview of all transactions relating to the purchase of treasury shares is presented on our website www.smartphotogroup.com under the heading "Investors/Information for shareholders/Purchase of treasury shares".
