

GESUNDHEIT | SCHÖNHEIT | WOHLGEFÜHL

/// Medical trainer and lecturer for doctors/naturopaths. Independent and non-affiliated with any association or company to relay information based solely on its content value. Teaching various medical disciplines and treatment possibilities with main focus in the PRP-therapy.

/// Degree in business administration [Germany], college and working experience abroad [London] and early founder of the most successful training institute and association for physical therapy [BodyBalancePilates®] in Germany. Steady interest in health and well-being – continued with further studies in Building Biology & Sustainability, Teacher in Buteyko Breathing Technique as well as engaging in a 4 year training program as a naturopath. Additional medical education in London, Berlin, Russia, Moldova, Spain, Italy and South Korea.

/// Founder and CEO of the medical training institute GSW –Gesundheit, Schönheit, Wohlgefühl [engl. GSW – health, beauty, well-being]. With great passion especially for the enhanced form of the autologous blood therapy using platelet-rich plasma [PRP].

/// Course developer and lecturer for all courses of GSW, e.g. mesotherapy, PRP-therapy, PRP in orthopaedics, PRP in aesthetics, carboxy-therapy, plasma-gel, filler injection techniques etc. such as speaker and instructor at medical fairs, in-house trainings and online courses.

/// Joining medical workgroups and International commitment to the development of PRP [Russia, Australia] such as gaining knowledge of converting the PRP-serum into a solid consistency for using it as a dermal filler, turning the PRP into a powder or enhancing its efficiency by a maximum through incubation.

/// Medical equipment expert and product developer/privat label (ampoules for mesotherapy, PRP-cream „Plasma Booster“ for personalized cosmetics, plasma-gel-device, anti-aging/sleeping concepts „Biomed+“), furthermore distributor/ trader of certified medical products.

/// Occasionally publishes articles in medical journals and is author of the medical bilingual book „PRP and Plasma Gel“ [German/English].
