

W2-Professorship for Experimental Dental, Oral and Maxillofacial Research (Successor for Prof. Dr. J. Deschner)

to be filled as soon as possible.

The future holder of the position is to represent experimental dental, oral and maxillofacial science in research and teaching. The position holder (m/f/d) assumes the task of leading the section of the same name within the Center for Dental Medicine in assignment to the management of the Center.

The tasks of the advertised position include maintaining and expanding an existing interdisciplinary scientific structure. Interest in dental topics, sound knowledge of molecular biology and molecular genetics, extraordinary motivation and flexibility as well as the ability to work in a team and the willingness to cooperate on an interdisciplinary basis are prerequisites. The establishment and application of a joint project (SFB) for university dentistry is expected.

Networking with the main research areas of Bonn University Medicine and the Center for ZMK is a prerequisite. Scientific excellence should be documented by appropriate publications and third-party funding. The applicant should also make a comprehensive contribution to the teaching of the Center. Leadership experience is desired.

Applicants must have a degree in dentistry, medicine or natural sciences, including a doctorate. Recruitment requirements are habilitation or equivalent scientific achievement according to §36 *Hochschulgesetz NRW*.

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career program. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the *Landesgleichstellungsgesetz* [State Equality Act]. Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to send the usual documents (cover letter, resumé, transcripts, certificates, list of publications, teaching and research concept as a PDF-file) as well as a completed application form in German and English until **8th December, 2019** to the

**Dean of the Faculty of Medicine
of Rheinische Friedrich-Wilhelms-Universität Bonn
Prof. Dr. med. Bernd Weber
Venusberg-Campus 1, Haus 33, D-53127 Bonn**

Please apply by email to: berufungen@ukbonn.de
