

# TEMPUS TWO

## Botrytis Semillon

2009

The Pewter range embodies the Tempus Two spirit to create a unique and distinctive range of wines.

All the varieties are sourced from single regions in Australia's premier wine-growing areas and the end result is magnificent, luxurious, artisan wine developed with love and care. Distinctive bottles, stamped pewter labels and crisp clean styling reflect the sophistication and confidence of the wines profiled in our Pewter Range.

### VINTAGE

2009

### AROMA

Rich aromas of dried apricot, zesty citrus fruit marmalade and hints of honey.

### PALATE

The palate is rich and opulent with a refreshing citrus lift - the quintessence of botrytis Semillon. Citrus fruit marmalade flavours combine with apricot and hints of wild honey. The wine displays restrained acidity and light drying tannins which are balanced by the concentration of luscious natural sugars resulting in overall elegance and finesse.

### OVERVIEW

Botrytis Cinerea is known as the "noble" rot, a fungal infection which puts holes through the side of the grape causing dehydration of the grape and amongst other things, concentration of juice within the infected grape. The natural sugar levels therefore increase and the grapes are harvested late to fully capture the intensity of sweetness and

complex flavours.

### CELLARING

This wine will benefit from aging for up to 10 years.

#### TECHNICAL INFORMATION

Region:	Riverina, NSW
Vintage:	2009
pH:	3.22
TA:	10.1 g/L
RS:	186 g/L
SO2	27 / 276 ppm
Alc:	10.6%
