"CALIPA boosts your Career and Life Path"

We help you finding a job or traineeship in the European institutions and let your business and organisation excel in growth

CALIPA Career

Working with the European Union? A job or traineeship in the European institutions? Many people dream about it, yet few succeed.

You can be one of the top candidates! We make sure that you get a job in the EU institutions! Our [information sessions](#), [practical training sessions](#) and [personal coaching](#) give you all tips to apply and to succeed in the selection process (EPSO). Our approach is unique and guarantees immediate success!

CALIPA Academy

A new recession, falling stock markets, a weak and unstable euro, job losses and a looming trade war? What else is there to come?

We provide clarity and detailed insight! Our [courses](#), [seminars](#) and [interactive training sessions](#) keep you up to date with European economic issues and challenges. We evaluate the impact on your organisation. Our knowledge benefits your business!

CALIPA Consultancy

How can my organisation continue to grow in today's rapidly evolving society? How do I adapt to changing circumstances? A simple question that can't get a simple answer....

We help you and support your business when it comes to management and strategy! Our [advices](#), [coaching](#) and [consultancy services](#) include impact studies, SWOT analyses, subsidy advice, lobby activities, etc. Our approach has a direct, positive impact on your employees and the profitability of your business.
