Extend the Possible

The new flagship of the Stromer S-Pedelec range.

Maximum range, maximum power, maximum passion: Our new flagship combines cutting-edge technology and high-end components to create a Speed Pedelec truly in a class of its own. Extremely low maintenance thanks to the Pinion and Gates carbon belt drive.

Highlights.

- Incomparable Stromer riding fun: powerful, dynamic and silent
- Most powerful rear-wheel motor with Sport mode for assistance up to **45 km/h** (940 W | 52 Nm)
- Most powerful Stromer battery **with 1440 Wh** and a range **up to 260 km**
- First S-Pedelec on the market with the electronic shifting system **Pinion Smart.Shift**
- **High-end components**, from the brakes and the electronic shifting system to the headlights and the tires
- With fully **integrated ABS** (front) for even more safety
- Large-volume 27.5" tires, perfectly adapted to commuting on the road (optional: additional suspension)
- **Connectivity** via cellular network for GPS localization, Smartlock, individual motor settings, statistics and much more
- **Fully integrated design** and top technology – multi-award-winning
- Available in Solid Gold (Launch Edition) from October 2022 and Dark Platinum from January 2023 with sport frame in M (< 178 cm) | L (175 – 188 cm) | XL (> 185 cm)
