ALWAYS COOLER

bluglass

FUNCTIONALITY, GREAT PERFORMANCE
AND STATE-OF-THE-ART TECHNOLOGY.

The line of countertop water coolers marks new high-tech and design goals.
The perfect, highly elegant choice in any context.

Compact, powerful and wonderfully stylish, Bluglass 30 is the perfect model to allow you to supply plenty of high-quality water at home and in the office.

Bluglass 30 is also available in the Hot version, which allows you to always have hot water at the perfect temperature for tea and herbal teas.

The double cooling coil allows top performance for the 80 lt/h version, which is also equipped with adjustable feet and a suspended tray. It is the ideal choice for bars and restaurants.

For those who do not want to do without manual mechanical faucets, we have designed Bluglass "beer" tap 80, which enables the filling of multiple bottles at the same time.

Natural Gas

An environmentally friendly choice, with the benefit of a more silent compressor.

Portion control

The volumetric portioning allows the customization of the dispense doses for a convenient and fast service. It integrates the Energy Saving device, ensuring stand-by operation of the machine with consumption reduced by 75% compared to full operation.

Each Buglass model is made of sturdy stainless steel and tempered glass. Equipped with a professional carbonation system, it delivers highly satisfactory performance.

Buglass Plus is the top of the range that expresses the maximum of design and cutting-edge technology, with standard IoT functionality*. Completely manageable through a 7" touch screen interface, it allows the display of a large number of parameters

* Contact your sales representative to learn how to activate the IoT system.

OPTIONAL EXTRAS

In-line filters		Filter + Head		Water pressure reducer
		UVC Led In		
Outlet filters		UVC Led OUT (Bluglass 30)		CO ₂ pressure reducer with 2 pressure gauge (only for Fizz models)
		UVC Led OUT (Bluglass IT, Bluglass Plus)		
	or			Incremental digital litre-counter 6000R
		Nano Silver Pipe (Bluglass 30)		or
		Nano Silver Pipe (Bluglass IT, Bluglass Plus)		Decremental digital litre-counter 8000T
Other		Bluprotection		or
		Water Block (to ensure correct installation, the water block is essential on the "beer tap" version)		Mechanical litre-counter
