2. The **Twelve Concepts for World Service**, written by A.A. co-founder Bill W., are an interpretation of A.A.'s world service structure as it emerged through A.A.'s early history and experience.

Offered during the workshop by another member "**introduction to a Group Inventory**" that I go over with the group at the beginning of each inventory. If you would like a copy of that, reach out and I will send it to you. It is NOT AA conference approved, but it is helpful. I'm at pennington2@gmail.com or +1 925 209 9215 (I can text it or email it)

Question from chat - What are the AA principals? - behind every step, every tradition and every concept is an or more than one spiritual principle...get with your sponsor and she will expound. Great question.. glad you are here
