Jelen - Jelen

1. Na jaře se vrací od podzima listí.
 Mraky místo ptáků krouží nad závistí.
 Kdyby jsi se někdy ke mně chtěla vrátit,
 nesměla bys, lásko, moje srdce ztratit.

Ref. Zabil jsem v lese jelena.
 Bez nenávisti, bez jména.
 Když přišel dolů k řece pít,
 krev teče do vody, v srdci klid.

Through Glass - Stone Sour

Ref. I'm looking at you through the glass,
 don't know how much time has passed.
 Oh, God it feels like forever but, no one ever tells you
 that forever feels like home,
 sitting all alone inside your head.

1. How do you feel?
 That is the question.
 But, I forget you don't expect an easy answer.
 When something is like a soul
 becomes initialized and folded up
 like paper dolls and little notes you can't expect to bitter folks.
 So while your outside looking in,
 describing what you see,
 remember what you're staring at is me.

Ref.

2. How much is real?
 So much to question.
 An epidemic of the mannequins contaminating everything.
 When thought came from the heart
 it never did, right from the start.
 Just listen to the noises (No more silent voices).
 Before you tell yourself
 it's just a different scene,
 remember it's just different from what you've seen.

Hallelujah - Leonard Cohen

1. Now I've heard there was a secret chord
 that David played, and it pleased the Lord,
 but you don't really care for music, do you?
 It goes like this the fourth, the fifth,
 the minor fall, the major lift,
 the baffled king composing hallelujah.

Ref1. Hallelujah, hallelujah, hallelujah, hallelu-u-jah.

2. Your faith was strong, but you needed proof,
 you saw her bathing on the roof.
 Her beauty and the moonlight overthrew ya.
 She tied you to a kitchen chair,
 she broke your throne, and she cut your hair
 and from your lips she drew the hallelujah.

Ref1.

3. Maybe I've been here before,
 I know this room, I've walked this floor,
 I used to live alone before I knew you.
 And I've seen your flag on the marble arch.
 Love is not a victory march,
 it's a cold and it's a broken hallelujah.

Ref1.

4. Well, maybe there's a God above,
 but all I've ever learned from love
 was how to shoot somebody who outdrew ya.
 And it's not a cry that you hear at night,
 it's not somebody who's seen the light,
 it's a cold and it's a broken hallelujah.

Ref2. Hallelujah, hallelujah, hallelujah, hallelu-u...
 Hallelujah, hallelujah, hallelujah, hallelu-u-jah.

Ráno - Iné Kafe

1. Keď máš doma opäť ďalší problém,
 keď fotra s matkou berú zas tie staré mindráky,
 že neuspel si opäť v škole, jak sa to správaš a
 čo to nosíš za známky.
 Keď frajerka ti spáva s iným, s ktorým si včera
 pil minimálne do rána.
 A sám si opäť zostal s tými, ktorí ťa vedú nevieš kam.

Ref. Keď včera bola tma, tak dnes príde ráno
 a s ním sa skončí sen, čo kradol ti spánok.
 A svitanie ti úsmev na tvári pripraví.
 A ty vyhráš ten boj o kľúče od kľetky
 a aj keď budeš sám, sám proti všetkým,
 ešte nič nekončí, naopak, všetko práve začína.

2. Keď ti v televízii veľkí klamú,
 všemožne snažia sa zakryť svoje omyly.
 A na ulici by ťa fízli za cigu z trávy
 najradšej do basy hodili.
 A kruh sa ti už uzatvára, už je ti jasné,
 život nebeží, jak by si chcel.
 Ešte ti tu zostáva nádej, a končiť s tým prečo.

Cigarety - Horkýže slíže

1. Nevyšlo na cigarety, z vreckového, z vreckového.

Tato daj mi andela ti zo svojeho, zo svojeho.

Nefajči aj tak si bledý ako stena, ako stena.

Nič ti nedám, buď rad že si bez remeňa,

buď rad že si bez remeňa,

buď rad že si bez remeňa.

2. A ty zasa tato piješ ako dúha, ako dúha.

Frajerky máš, ty dobre vieš, jedna lepšia ako druhá.

Tu máš tie prachy darebák, chod si kúpiť cigarety.

Mame ani muk, o inak po papuli

schytáš dve, tri, po papuli,

schytáš dve, tri, po papuli.

Rec. Počúvaj ma sem: cigarety nie sú všetko.

Mal som kamaráta, ktorého v Texase obesili za krádež dobytky.

Farár, doktor, majster kat a 20 bacharov. Tí všetci si mysleli,

že si pred popravou vypýta poslednú cigaretu.

A on si vypýtal dva vozy dobre nasolených tekvicových jadierok.

Z recesie mu ich doniesli a nechali ho lúškať dve hodiny.

Potom ich to prestalo baviť a prišlo to,

čo každý očakával - začali lúškať s ním.

Take Me To Church - Hozier

1. My lover's got humour, she's the giggle at a funeral.
 Knows everybody's disapproval, I should've worshipped her sooner.
 If the heavens ever did speak, she is the last true mouth piece.
 Every Sunday's getting more bleak, a fresh poison each week.
 "We were born sick", you heard them say it.

2. My church offers no absolutes, she tells me: "Worship in the bedroom".
 The only heaven I'll be sent to is when I'm alone with you.
 I was born sick, but I love it, command me to be well.

Pre. A-a-men,
 A-men, a-men.

 I'll tell you my sins and you can sharpen your knife.
 Offer me that deathless death,
 good God, let me give you my life. :|

3. If I'm a pagan of the good times, my lover's the sunlight.
 To keep the Goddess on my side, she demands a sacrifice:
 to drain the whole sea, get something shiny.

4. Something meaty for the main course. That's a fine looking high horse
 what you got in the stable. We've a lot of starving faithful.
 That looks tasty, that looks plenty, this is hungry work.

 Only then I am human, only then I am clean.

 but you never really had a doubt.

 And all the lights that lead us there are blinding.

The Sound of Silence - Simon & Garfunkel -7

- Am** **G**
1. Hello darkness, my old friend.
Am
I've come to talk with you again,
F C
because a vision softly creeping
F C
left its seeds while I was sleeping.
F C
And the vision that was planted in my brain
Am G Am
still remains within the sound of silence.
2. In restless dreams I walked alone
narrow streets of cobblestone.
'neath the halo of a street lamp
I turned my collar to the cold and damp,
when my eyes were stabbed by the flash of a neon light
that split the night and touched the sound of silence.
3. And in the naked light I saw
ten thousand people, maybe more.
People talking without speaking.
People hearing without listening.
People writing songs that voices never share.
And no one dare disturb the sound of silence.
4. "Fools", said I, "you do not know,
silence like a cancer grows."
Hear my words that I might teach you,
take my arms that I might reach you".
But my words like silent raindrops fell,
and echoed in the wells of silence.

- Am G**
5. And the people bowed and prayed
Am
to the neon god they made.
F C
And the sign flashed out its warning
F C
in the words that it was forming.
F
And the sign said: the words of the prophets are
C
written on the subway walls
Am C
and tenement halls,
G Am
and whisper'd in the sounds of silence.

Numb - Linkin Park (capo 2)

1. I'm tired of being what you want me to be,
 feeling so faithless, lost under the surface.
 I don't know what you're expecting of me,
 put under the pressure of walking in your shoes.
 (Caught in the undertow, just caught in the undertow.)
 Every step that I take is another mistake to you.
 (Caught in the undertow, just caught in the undertow.)

Ref. I've become so numb, I can't feel you there
 I've become so tired, so much more aware.
 I'm becoming this, all I want to do
 is be more like me and be less like you.

2. Can't you see that you're smothering me?
 Holding too tightly, afraid to lose control,
 cause everything that you thought I would be
 has fallen apart right in front of you.
 (Caught in the undertow, just caught in the undertow.)
 Every step that I take is another mistake to you.
 (Caught in the undertow, just caught in the undertow.)
 And every second I waste is more than I can take.

 I may end up failing too.
 But I know
 you were just like me with someone disappointed in you.

Demons - Imagine Dragons

(capo 1)

1. When the days are cold and the cards all fold
 and the saints we see are all made of gold.

When your dreams all fail and the ones we hail
 are the worst of all and the blood's run stale.

2. I want to hide the truth I want to shelter you
 but with the beast inside there's nowhere we can hide.
 No matter what we breed, we still are made of greed.
 This is my kingdom, come. This is my kingdom, come.

Ref. When you feel my heat, look into my eyes,
 it's where my demons hide. It's where my demons hide.
 Don't get too close, it's dark inside,
 it's where my demons hide. It's where my demons hide.

D - A - Hm - G

3. When the curtain's call is the last of all,
 when the lights fade out all the sinners crawl.
 So they dug your grave and the masquerade
 will come calling out at the mess you made.

4. Don't want to let you down, but I am hell bound,
 though this is all for you, don't want to hide the truth.
 No matter what we breed, we still are made of greed.
 This is my kingdom, come. This is my kingdom, come.

Ref.

Brid. They say it's what you make I say it's up to fate,
 it's woven in my soul, I need to let you go.
 Your eyes they shine so bright I want to save that light,
 I can't escape this now unless you show me how.

Em - C - Em - D - G

1. Podle nepsanejch zákonů hledáme něco, co nám nejspíš schází.

Podle prastarejch pudů, který nás nutěj furt za něčim jít.

Do stejný řeky nikdy nevstoupíš, klacky sám sobě pod nohy házíš.

Cos chtěl, máš, stejně dojdeš k poznání.

Ref1 Že věci některý jsou neměnný, jak síla starších vín,
a někdy je tma kolem nás, to když zrovna nejsme stálí.
Najednou blízky jsou si vzdálený, to z vočí kouká nám.
Tak na chvíli stůj, vzpomínej, no a příznej, taky jsme se báli,
co bude dál.

2. Každěj ctí asi jinej zákon a kdo ví, co nám odvalu dává.
Každěj má asi jinej kód a ty sám zřejmě všechno víš líp.
Jak když přesadíš starěj strom, taky to nebude velká sláva.

New Divide - Linkin Park (capo 1)

Em - G - D - A

1. I remembered black skies, the lightning all around me.
 I remembered each flash as time began to blur.
 Like a startling sign that fate had finally found me.
 And your voice was all I heard that I get what I deserve.

Ref1 So give me reason to prove me wrong,
 to wash this memory clean.
 Let the floods cross the distance in your
 eyes.
 Give me reason to fill this hole,
 connect the space between.
 Let it be enough to reach the truth that lies
 across this new divide.

2. There was nothing in sight but memories left abandoned.
 There was nowhere to hide, the ashes fell like snow.
 And the ground caved in between where we were standing.
 And your voice was all I heard that I get what I deserve.

Ref2 So give me reason to prove me wrong,
 to wash this memory clean.
 Let the floods cross the distance in your
 eyes across this new divide.

3. In every loss in every lie, in every truth that you deny.
 And each regret and each goodbye was a mistake too great to hide.
 And your voice was all I heard that I get what I deserve.

Ref3 So give me reason to prove me wrong,
 to wash this memory clean.
 Let the floods cross the distance in your
 eyes.
 Give me reason to fill this hole,
 connect the space between.
 Let it be enough to reach the truth that lies
 across this new divide.
 Across this new divide.
 Across this new divide.

More Than Words - Extreme +1

| : G - C - Am - C - D : |

1. Saying I love you is not the words I want to hear from you.
 It's not that I want you not to say, but if you only knew
 how easy it would be to show me how you feel.
 More than words is all you have to do to make it real.
 Then you wouldn't have to say that you love me,
 'cause I'd already know.

Ref. What would you do if my heart was torn in two?
 More than words to show you feel that your love for me is real.
 What would you say if I took those words away?
 Then you couldn't make things new just by saying I love you.
 More than words.

2. Now that I've tried to talk to you and make you understand.
 All you have to do is close your eyes and just reach out your hands
 and touch me, hold me close, don't ever let me go.
 More than words is all I ever needed you to show.
 Then you wouldn't have to say that you love me,
 'cause I'd already know.

Ref2 What would you do if my heart was torn in two?

 What would you say if I took those words away?

Ref2 If I lay here, if I just lay here,
 would you lie with me, and just forget the world.
 Forget what we're told, before we get too old.
 Show me a garden that's bursting into life.

3. Let's waste time, chasing cars, around our heads.

Ref3 If I lay here, if I just lay here,
 would you lie with me, and just forget the world.
 All that I am, all that I ever was,
 is here in your perfect eyes, they're all I can see.
 I don't know where, confused about how as well,
 just know that these things will never change for us at all.

 So I'll tell you something, this could be love, because:

 don't be afraid to lose control.
 Yes, I know what's on your mind
 when you say: "Stay with me tonight." Just remember:

Ain't No Rest for the Wicked - Cage the Elephant

1. I was walking down the street, when out the corner of my eye
 I saw a pretty little thing approaching me.
 She said "I've never seen a man who looks so all alone,
 Could you use a little company?
 If you pay the right price your evening will be nice,
 And you can go and send me on my way."
 I said "You're such a sweet young thing, why you do this to yourself?"
 She looked at me and this is what she said,

Ref. "Oh, there ain't no rest for the wicked,
 Money don't grow on trees.
 I got bills to pay, I got mouths to feed,
 There ain't nothing in this world for free.
 I know I can't slow down, I can't hold back,
 Though you know, I wish I could.
 No there ain't no rest for the wicked,
 Until we close our eyes for good".

2. Not even fifteen minutes later I'm still walking down the street,
 When I saw a shadow of a man creep out of sight.
 Then he walks up from behind and puts a gun up to my head,
 He made it clear he wasn't looking for a fight.
 He said "Give me all you've got I want your money not your life,
 But if you try to make a move I won't think twice."
 I said "You can have my cash but first you know I got to ask
 What made you want to live this kind of life?"

Ref.

3. Now a couple hours passed and I was sitting at my house,
 The day was winding down and coming to an end.
 So I turned on the TV and flipped it over to the news,
 And what I saw I almost couldn't comprehend.
 I saw a preacher man in cuffs, he'd taken money from the church,
 He'd stuffed his bank account with righteous dollar bills.
 But even still I can't say much because I know we're all the same,
 Oh yes we all seek out to satisfy those thrills.

Let It Snow! - Sammy Cahn

As performed by Frank Sinatra

1. Oh, the weather outside is frightful,
 but the fire is so delightful,
 and since we've no place to go,
 let it snow, let it snow, let it snow!

2. It doesn't show signs of stopping,
 and I brought some corn for popping.
 The lights are turned way down low.
 Let it snow, let it snow, let it snow!

Brid. When we finally kiss good night, how I'll hate going out in the storm.
 But if you really hold me tight, all the way home I'll be warm.

3. The fire is slowly dying,
 and, my dear, we're still good-byeing,
 But as long as you love me so,
 let it snow, let it snow, let it snow!

Čo bolí to prebolí - Miro Žbirka

1. Co bolí, to prebolí, už to skrýva tvár,

 Čln sa láme napoly, keď topíš sa, vieš,
 čo bolí, to prebolí a odpláva preč.

2. Co bolí, to prebolí, nepředbíhej čas,

 Z trosek víc člun nestvoříš, z moře stoupá dým,
 co bolí, to prebolí, možná víc, co s tím.

Ref2 To tajemství, pod hladinou,

Brid. Smutek šel sám se smíchem spát

 hľadáš už rád, někde s jinou.

Christmas Is All Around - Billy Mack

1. I feel it in my fingers
 I feel it in my toes
 Christmas is all around me
 And so the feeling grows

2. It's written in the wind
 It's everywhere I go
 So if you really love Christmas
 C'mon and let it snow

Ref You know I love Christmas
 I always will
 My mind's made up
 The way that I feel
 There's no beginning
 There'll be no end
 Coz on Christmas
 You can depend

3. You gave your presents to me
 And I gave mine to you
 I need Santa beside me
 In everything I do

Zejtra mám - Ready Kirken

1. Zejtra mám, zejtra mám svůj den.
 Zejtra se mi splní moje tajný přání, můj sen.
 Dlouho tě znám, dlouho tě znám, mám tě rád.
 Uvidím tě zas, uslyším tvůj hlas, možná.

2. Zejtra mám, zejtra mám svůj den.
 Asi to tak bude, je to cejtít všude, je to cejtít všude.
 Všude tam, kam se podívám, něco z tebe mám.
 Tak se mi zdá, tak se mi zdá, že už asi zejtra nebudu sám.

Ref. Nebudu sám, nebudu sám, zejtra tě má - ám,
 má-ám, má-ám, já.

3. Zejtra mám, zejtra mám svůj den.
 Zejtra se mi splní moje tajný přání, můj sen.
 Všude tam, kam se podívám, něco z tebe mám.
 Poslední den jednou vospím se jen, a pak už nikdy nebudu sám.

Černej pasažér - Traband

1. Mám kufr plnej přebytečnejch krámů,
 mapu zabalenou do plátna.

 ještě vidím, jak se kouří z komína.
 V tom domě pro mě prostřený stůl.
 Tam já a moje rodina.

3. Moe jminulost se na mě šklebí,
 a srdce bolí, když si vzpomenu.
 Že stromy, který měly dorůst k nebi,
 teď leží vyvráceny z kořenů.

- Ref. Jsem černej pasažér, nemám cíl, ani směr.
 Vezu se načerno životem a nevím.
 Jsem černej pasažér, nemám cíl, ani směr.
 Vezu se odnikud nikam a nevím, kde skončím.

4. Mám to všechno na barevný fotce
 někdy z minulýho století.
 Tu jedinou a pocit bezdomovce
 si s sebou nesu stále v paměti.
