

Preferred™ 96t Gas Furnace with Perfect Heat® Technology

MODEL 926T

Preferred™
SERIES

As an ENERGY STAR® Partner, Bryant Heating & Cooling Systems has determined that this product meets the ENERGY STAR® guidelines for energy efficiency.

Superior Comfort *Plus* Ex

Setting Standards Since 1904

For more than a century, homeowners have associated Bryant® heating products with the highest standards of indoor comfort. Through the commitment and dedication of our product development and manufacturing teams, we have consistently met every new challenge head-on and delivered the products to meet or exceed expectations. Today, as rising energy costs and increased environmental awareness influence consumer thinking, Bryant proudly offers an extra-efficient gas furnace that also provides superior comfort – the Preferred™ 96t with Perfect Heat® technology.

The Bryant Preferred 96t provides quiet, luxurious relief from winter's biting chill. It raises the bar for temperature control with our Perfect Heat functions and recommended Preferred™ series programmable thermostat. And, it can save significantly on heating costs with exceptional energy efficiency of up to 96.2% AFUE. Designed, built and backed by the most trusted name in the business, and installed by your trusted and professional Bryant dealer, the Preferred 96t with Perfect Heat technology provides the premium winter comfort you and your family deserve.

Perfect Heat, Perfect Comfort

Your home is your refuge, the place you go for comfort – so treat yourself to the very best – Bryant. The Preferred™ 96t delivers an even, consistent flow of heated air to significantly reduce hot and cold spots. Our exclusive Perfect Heat® technology automatically monitors changing conditions and

adjusts system operation to provide the best possible combination of comfort and energy efficiency. And, for even greater comfort and control over fan speed, dehumidification and ventilation, we recommend including a two-stage Bryant air conditioner or heat pump, and our unique programmable Thermidistat™ control.

Exceptional Energy Savings.

Peace of Mind

Having a great warranty helps you enjoy your comfort with confidence. Bryant builds trusted reliability into every product, then provides additional peace of mind with excellent warranty protection.

To the original owner, the Bryant® Preferred™ 96t model 926T gas furnace is covered by a 10-year parts and lifetime heat exchanger limited warranty upon timely registration of your new equipment.* Ask your Bryant dealer about optional labor warranties.

* Warranty period is 5-years on parts and 20-years on heat exchangers if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts limited warranty on the heat exchangers. See warranty certificate at bryant.com for complete details and restrictions.

Performance

As an ENERGY STAR® Partner, Bryant Heating & Cooling Systems has determined that this product meets the ENERGY STAR® guidelines for energy efficiency.

Complete Comfort and Peace of Mind

As a part of your home's total comfort system, the Preferred™ 96t improves comfort with Bryant-exclusive functions. The Fan On Plus™ feature lets you select from three continuous fan speeds at the thermostat for enhanced, whole-home ventilation. When paired with an air conditioner or heat pump, the SmartEvap™ technology assists with humidity control to keep you feeling comfortable during the cooling season.

Best of all, you can enjoy all of this comfort with a system designed, built and backed by a company committed to customer satisfaction. From initial design through product testing and final assembly, we go beyond the industry's expectations for quality to be sure that every unit we make measures up to even tougher standards – yours.

Efficient Control

Bryant offers a complete line of easy-to-use thermostats to help you manage your indoor comfort system. Include our Preferred™ Series Thermidistat™ control with your Preferred™ 96t gas furnace and air conditioner or heat pump and you can enjoy consistent, money-saving comfort control all year long with the convenience of programmable comfort schedules and the ability to select continuous fan speeds from the wall in your home.

Home Comfort Components

- 1 EXTRA GAS EFFICIENCY**
Our secondary heat exchanger extends heat transfer for higher efficiency use of heating fuel and is backed by a limited lifetime parts warranty.
- 2 QUIET, NEARLY CONTINUOUS COMFORT**
Variable-speed blower motor operates at the precise speed needed to deliver quiet, dependable heating and improved humidity control.
- 3 EFFICIENCY AND COMFORT**
Two-stage gas valve with two stages of heating operates on low-stage heating the majority of the time for smooth, efficient comfort. High-stage operation provides a boost in comfort during more extreme winter conditions.
- 4 RELIABILITY**
The Bryant® Perfect Light™ igniter is one of the most reliable and robust available so you can count on heating when you need it.
- 5 INTELLIGENT OPERATION**
Our patented furnace control board does the thinking for you so your family will always enjoy comfort and economy. Just set the compatible thermostat and let our “smart” electronics do the rest. This advanced control is the key to the Fan On Plus™ feature, Bryant's adjustable constant fan function, as well as SmartEvap™ technology, which provides improved moisture control when paired with an air conditioner or heat pump.
- 6 ECONOMICAL, LOW-NOISE OPERATION**
Our two-speed inducer motor operates on low or high speed as needed for the best efficiency and comfort. Operating on low speed a majority of the time, this motor helps ensure extra-high efficiency with extra-low noise operation.
