How Much Does The Preventive Maintenance Agreement Cost?

*The investment of an annual
Preventive Maintenance Agreement
is literally less than having your
normal clean and check done PLUS
one service call a year. You will no
longer have to remember when to
call, we will call you to schedule the
maintenance at a convenient time for
you, during your contract year.
With your investment minimized and
the peace of mind of knowing your
equipment is being kept in tip top
running order, your annual
Preventive Maintenance Agreement
is a bargain!*

Why Buy A Comfort System Maintenance Agreement?

A Maintenance Agreement provides you with routine maintenance of your mechanical equipment which yields the lowest overall operating costs while giving you the highest probability of year-round comfort. Your *“Preventive Maintenance Agreement”* will:

REDUCE YOUR FUEL BILLS

By cleaning and calibrating your equipment on a regular basis, the use of energy will be maximized, therefore keeping your fuel bills to a minimum.

PROLONGS EQUIPMENT LIFE

Routine maintenance keeps your equipment in top operating condition. This prolongs its life, therefore lowering your annual cost of equipment.

MAXIMIZES SAFETY

Routine maintenance assures the safe operation of your equipment by correcting potential problems BEFORE they occur.
