Grapevine, February 20, 2017 — Diamond Quality Services has been selected for the 2016 Best Businesses of Grapevine Award in the Heating & Air Conditioning/HVAC category by the Best Businesses of Grapevine Award Program. This is the second time since 2014 that Diamond Quality Services has been selected for this award.

Each year, the Best Businesses of Grapevine Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Grapevine area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Best Businesses of Grapevine Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Best Businesses of Grapevine Award Program and data provided by third parties.
