Preventative Maintenance Agreement

Our Mission Statement

To provide the best quality services and equipment at the best possible prices with integrity and speed. We believe in continued education throughout our company, providing our employees a great atmosphere where they can excel, and assuring our Clients complete satisfaction.

Starting at \$199.95

With regular maintenance you will prevent small problems from becoming big problems and ensure optimal performance of your comfort system. We also offer annual service agreements, which can reduce the cost of a Performance Tune-Up.

Regular maintenance will:

- Provide longer lasting equipment
- Reduce utility bills
- Reduce repairs
- Provide a more comfortable indoor environment
- Protect your investment

Ask our Technician for more details on our services...

Carrier COR WiFi Thermostat

Fantastic

\$494

The Côr thermostat is the heart of a smarter home by combining home comfort with energy savings. It features 7-day programming, local weather 4-day forecast, and detailed energy reports and customized energy saving tips.

Honeywell PRO8000 Thermostat

Best

\$384

This VisionPRO thermostat offers 7-day programming through an easy-to-use touchscreen display. It features effortless, menu-driven programming that simplifies programming by responding to your choices.

Honeywell PRO6000 Thermostat

Better

\$195

The FocusPRO thermostat offers simplicity and comfort that is easy to see and easy to program. It features 5-1-1 day programming, built-in instructions, and an easy-access battery replacement.

Honeywell PRO5000 Thermostat

Good

\$174

The FocusPRO 5000 non-programmable thermostat offers simplicity and comfort that is easy-to-see and easy-to-read through its backlit digital display. Features soft-key control and precise comfort control.

Proudly Serving the East
Texas Area since 2007

Media Air Filter

\$442

The EZ Flex system provides whole home air filtration using a high efficiency filter. The deep-pleated style of its MERV 10 filter keeps air flowing while removing up to 65% of airborne particles as small as 1.0 micron.

Carrier Ultraviolet Lamp

\$396

This UV lamp is designed to kill bacteria and mold growing on and around the indoor coil. It also helps minimize microbial build-up on coils and drain pans and prevents it from becoming airborne, giving you cleaner air and an efficient system.

Surge Protector

\$163

Helps protect the most expensive operating equipment in your home from the damaging effects of momentary voltage spikes or other transient power surges.

Carbon Monoxide & Smoke Alarm

\$165

Alerts you to carbon monoxide (CO) which is an invisible, odorless, tasteless, nonirritating, poisonous gas that is completely undetectable to your senses. A loud horn and pulsating LED light will warn your family of the presence of CO.

Pan Drain Overflow Switch

\$96

A must-have safety feature. The emergency drain pan overflow switch shuts off your HVAC system if water fills the emergency drain pan.

Condensate Safety Switch

\$110

This device has an internal float which, when activated by abnormally high water levels, will automatically shut-off your system to avoid flooding your home. This is a must-have for all attic mounted or interior vertical air handlers!

GlowFly Ignitor

\$135

The most dependable furnace igniter ensures your furnace ignites every time. Built tough, less prone to breakage/failure. Glowfly is perfect for older systems and comes with a 3 year warranty.

Air Knight Air Purification

\$760

The Air Knight IPG Air Purification System uses a unique new indoor air quality process to naturally generate ionic oxidizers that proactively seek out and purify pollutants in the air AND on surfaces.

MERV 10 Return Air Media Filter

\$102

Honeywell 4" Air Filters only need to be changed twice a year. With an outstanding MERV 10 rating they don't just filter the air, they clean it as well. (The cheap disposable filters are usually rated at MERV 1 or 2.)
