

Thank You Brenda!

A C Service Company would like to extend to our customers, who have worked with Brenda Phillips over the past “19” years, an invitation to come in and express your gratitude for her helpful service throughout the years. We will be having a reception 10A - 2P on Friday August 13th, 2021 to pay tribute to Brenda Phillips for her “19” years of employment at A C Service Company. Please feel free to stop by and wish her well in her next venture in her life. Because of Covid restrictions some people have to adhere to, feel free to send a card or a note in lieu of attending; she would love to read and cherish them all.

Brenda Phillips has not only been a great customer service representative for A C Service over the years, but a very hard worker; not only in the office but our shop as well. Our customers, both longtime residents and new home owners, have found Brenda to be a great help to them. Brenda had gained their trust and friendship with her pleasant attitude, her patience in communicating with customer, her vast knowledge and her attentiveness to their needs and lives over the years. Not only being informative, knowledgeable, and so helpful to our Village of Yellow Springs residents whenever they came into our shop, but on the phone as well.

During the last year and a half, A C Service has gone through many company re-organization periods and sadly that meant people as well faced many hardships. We were all deeply saddened when Brenda lost her husband, Bill, back in November. It was a sudden, devastating tragedy for her to have to go through during the height of the Covid restrictions that were in place at that time; but Brenda has become a stronger person in all this, and we all wish her well.
