

FUJITSU Commercial Financing

See what's possible when you have the financial flexibility to grow your company.

For Qualified Buyers:

- A Simple One-Page Application
- Credit decisions in just 2-6 hours
- Flexible Terms from 24 – 72 Months
- No Large Out of Pocket Expense

What Are You Able to Finance?

The Entire Project – including the heating and cooling equipment, installation, control systems, freight, and other soft costs you may incur for projects as low as \$5,000 up to \$500,000. Building owners and Non-Building owners can choose Commercial or Residential Equipment for their commercial business use.
