

Whatever it Takes to Create a World Free of MS

MS CURE RIDER FUN FEST

Castanea Picnic Grounds

August 12th

11:00 am to 5:00 PM

HELP YOUR LOCAL RIDERS CREATE A CURE

A group of local riders will be Riding 100 miles to Support a Cure for Multiple Sclerosis and would like to get our local community involved. This event supports the riders and their family as they trek the 100 miles on a bicycle. This is a celebration to send the riders off and wish them luck as well as raise additional support for the National MS Society.
