WHY OUR ADVANTAGE MEMBERSHIP IS A GOOD INVESTMENT?

We are often asked if investing in a maintenance agreement is a good idea. Absolutely it is. Regular maintenance is one of the most cost-effective ways to maintain comfort and increase efficiency, saving you money on your utilities. It helps ensure your systems are in optimal working order to promote longer equipment life. Plus, our professionally trained service technicians will keep an eye out for potential problems before they become big ones and look for more ways to improve your comfort and efficiency.

OUR ADVANTAGE IS YOURS

Advantage Contractor Solutions has been in the residential construction business for over 30 years and specializing in HVAC services since 2011. Over the past 10 years, Advantage has installed over 9,000 new systems in the Chicagoland suburbs. Many of the systems that we maintain on a seasonal basis are those that we originally installed...we know systems and we may have originally designed yours! Our experienced service techs are uniquely qualified to help diagnosis any situation you may have, recommend various comfort solutions and provide excellent professional service.
