

*As of Monday, March 23, 2020, Advantage Heating and Cooling is OPEN to serve you, our very important customers with your heating and cooling needs.*

*The Executive Order that was passed down from the State of Illinois at 3pm (CST) last Friday states that "All Essential Businesses and Operations are encouraged to remain open including... Critical trades which includes... HVAC (heating and cooling)" To read details click [here](#).*

*Advantage is taking every precaution to keep our employees and our customers safe through these uncertain times. We are training best practices to keep everyone safe and healthy. If you have any immediate service needs or any questions about how Advantage can help you and your family over the next few weeks please give us a call. We are here for you!"*
