RULES:

The Nevada Jackpot 50s will be available in events 2-6.

A Nevada Jackpot 50 winner is determined by a shooter hitting any two 25 straights (1+2, 2+3, 3+4, 1+3, 1+4, 2+4)

The option is \$30, spread out over each combination, \$5 each.

The option pays 50% of the current total for the appropriate jackpot, not including the current event's entries, ties divide.
