President's Message

On behalf of the NSTA and the entire State of Nevada, I would like to welcome you to the Nevada State Trapshooting Championships! These Championships are a wonderful way to kick off the **2023 ATA** shooting season.

Time to get back to normal! Hope you can join us for that "normal" feeling of putting targets in the air and turning them into orange dust.

This year's State Championships are hosted again by the Clark County Shooting Complex, arguably one of the finest shooting facilities in the country. If you haven't experienced shooting at this facility, I strongly urge you to join us this year. If you are heading to the Fall Grand in Tucson, the Nevada State Trapshooting Championships is a great way to get back into top form and pick up some nice awards!

No matter what Class or Category shooter you are, we continue to work hard to provide an enjoyable and memorable week of shooting in Nevada. We are also focused on providing a wonderful experience for Juniors from all over the country. As the size of these Championships continues to grow, All-American points shooters and trophy shooters are discovering the wonderful opportunity to start the **2023 ATA** shooting season strong.

I would like to thank our sponsors and vendors for their continuing participation and encourage our shooters to support them as much as you can.

Since this is my **fourth Championships as President**, I look forward to seeing many of you again and welcome shooters joining us for the first time on the field. Enjoy and Shoot well!

Best Regards,

Gregory A. Pink

President
