# PRESIDENT'S MESSAGE

Dear Fellow Trapshooters,

Welcome to the 75th Annual Nevada State Trapshooting Championships, where we celebrate our rich history and look forward to the future of this great sport. I am thrilled to welcome all our resident Nevada and other shooters from around the country who have traveled to Las Vegas to compete with us.

As we gather to shoot and enjoy each other's company, I would like to extend my heartfelt thanks to our organizing committee, volunteers, and sponsors. Your dedication and support have made this event possible, and we are grateful for your contributions.

This year's 75th State Championships promise to be an exciting one. With some of the best shooters from Nevada and beyond competing for top honors. We have been working hard to make this one to remember. But it's not just about the competition. The camaraderie, sportsmanship and time with friends creates the priceless lasting memories we truly value. I hope you all spend time with your friends, maybe make a few new ones and enjoy your time here with us.

As we celebrate this milestone year, let us also remember the importance of preserving this tradition for future generations. I encourage all of us to continue promoting the sport and introducing new people to the joy of trapshooting.

Thank you for joining us in this celebration of trapshooting. I wish you all the best of luck and a safe enjoyable shoot.

Sincerely,  
GREG PINK  
NSTA President

# NORTH / SOUTH SHOOTOUT

SATURDAY, OCTOBER 28<sup>th</sup>

**The TOP 5 Northern & TOP 5  
Southern Shooters compete for the  
bragging rights and the buckles!**

1. Shooter selection will be based on the top 5 northern and top 5 southern scores in **Event 17 Nevada State Singles Championship**. Nevada resident shooters participating in Event 17 automatically entered.
2. A Northern shooter will be defined as a Nevada resident living in or north of Tonopah. A Southern shooter will be defined as a Nevada resident living south of Tonopah.
3. 10 shooters in total will shoot off. 2 squads consisting of 5 shooters from the North and 5 shooters from the South.
4. Both squads will shoot 1 full round of 16-yard singles to start the shoot off. The highest total squad score will be the winner. In the case of a tie a round 2 will be shot. In the case of a round 2 tie shooters will move to the 27-yard line for a miss-and-out structure until winner determined.
5. All classes and categories included in selection. Tie scores count toward shooter positions. For example, if 5 shooters shoot 200 straight, they will fill all the 5 spots for the squad. If ties for top scores exceed the 5 shooters long run will be used to determine the participants. If long runs result in a tie shooters can be decided or management will flip a coin. If a shooter does not show for the shootoff by the 10 minute call the next highest score shooter will be added to the squad.

**The winning squad will each receive a  
NORTH/SOUTH SHOOTOUT CHAMPION BUCKLE!**

(...and bragging rights!)

# SHOOTOFFS & TIES

## ALL TIES NOTICE

All ties in singles and doubles carry over to the next singles and doubles event unless otherwise stated in the program. All other trophy ties will be shot off at the end of each day unless otherwise stated.

If necessary, ties may be carried over to the next corresponding event, be shot off concurrently in succeeding events, or at a time designated by the NSTA Directors.

Shoot off participants must report to the classification window within 10 minutes of the call for shoot offs or forfeit. Anyone in a tie who leaves the grounds or does not answer a call will forfeit their right to a shoot-off.

If shooters are called for a shoot-off and then the shoot-off cannot be concluded (ex. time limitations, weather conditions), only those shooters who have checked in are eligible for trophies. For any shoot-off that is not concluded, winners will be determined by long run from front, and ties will be determined by a coin flip performed by a tournament official.

All ties for money will be divided unless otherwise stated by management.

## CATEGORY DECLARATION NOTICE

At tournaments where All American points will be awarded in any event, shooters may declare only one category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran)

Note: Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class, or yardage group trophies. Once any declarations have been made either by shooter or shoot management, the declaration is final and cannot be changed.

**There is no exception to this rule.**

All Lady I, Lady II, Sub-Veteran, Veteran, Sr. Veteran, Junior Gold, Junior, Sub-Junior must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. If no declaration is made the contestant will not be allowed to compete for the applicable category trophy for the duration of the state tournament.

No contestant will be allowed to declare or change a special category declaration after firing their first shot. **There will be no exceptions to this rule.**

Failure to declare your special category does not constitute an A.T.A. category error. Please confirm your category before leaving the classification desk.

# OPTION DETAILS

## **PROGRESSIVE NEVADA JACKPOT 50's!**

**6 Ways to make a 50 and win! Any combination of 2 25 straights pays. – \$10.00**

The Nevada Jackpot 50s Option will be available in 5 handicap events at the 75th Nevada State Shoot starting Tuesday, October 24th through the Nevada State Handicap Championship on Sunday, October 29th.

There are 6 possible combinations to win (1+2, 2+3, 3+4, 1+3, 1+4, 2+4). Any 2 25-straight combination pays 50% of the balance in the appropriate jackpot, not including the current events entries. Ties divide. Balances will be posted at the Handicap Window before each eligible event.

## **LEWIS CLASS OPTION**

**4 Payment groups. 2 places paid in each group (divided 60% - 40%). Ties divide. – \$10.00**

In this Lewis Option, we will have 4 payment group classes. We will pay 2 shooters in each payment group. The top shooter in the group will receive 60% and the secondary shooter will receive 40% of that payments groups funds.

Your payment group class will be determined based on your score. Once the winners in each payment group class have been determined, the prize money will be distributed among them. This system is designed to give everyone the best chance to win.

Under the Lewis Class system, prize money is divided into 4 classes or payment groups. For example, if there are 50 shooters in a competition and the Lewis Class system has 4 payment group classes, each class would consist of the top 10 shooters based on their score. The prize money for each class is then distributed evenly among the shooters in that payment group class.

## **SUPER SINGLES 400 HOA LEWIS**

**4 Payment groups. 2 places paid in each group (divided 60% - 40%). Ties divide. – \$10.00**

This Lewis option is based on the combined scores for event 11 & 17. The 4 Payment group system will be used.

## **SUPER DOUBLES 300 HOA LEWIS**

## **SUPER HANDICAP 400 HOA LEWIS**

This Lewis option is based on the combined scores for event 12, 13, 16 & 19. The 4 Payment group system will be used.

## **FREE ADDED SILVER LEWIS**

**6 Payment groups! 2, 3 or 4 places paid in each group depending on event. This Lewis option is FREE.**
