# SHOOTOFFS & TIES

## ALL TIES NOTICE

All ties in singles and doubles carry over to the next singles and doubles event unless otherwise stated in the program. All other trophy ties will be shot off at the end of each day unless otherwise stated.

If necessary, ties may be carried over to the next corresponding event, be shot off concurrently in succeeding events, or at a time designated by the NSTA Directors.

Shoot off participants must report to the classification window within 10 minutes of the call for shoot offs or forfeit. Anyone in a tie who leaves the grounds or does not answer a call will forfeit their right to a shoot-off.

If shooters are called for a shoot-off and then the shoot-off cannot be concluded (ex. time limitations, weather conditions), only those shooters who have checked in are eligible for trophies. For any shoot-off that is not concluded, winners will be determined by long run from front, and ties will be determined by a coin flip performed by a tournament official.

All ties for money will be divided unless otherwise stated by management.

## CATEGORY DECLARATION NOTICE

At tournaments where All American points will be awarded in any event, shooters may declare only one category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran)

Note: Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class, or yardage group trophies. Once any declarations have been made either by shooter or shoot management, the declaration is final and cannot be changed.

**There is no exception to this rule.**

All Lady I, Lady II, Sub-Veteran, Veteran, Sr. Veteran, Junior Gold, Junior, Sub-Junior must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. If no declaration is made the contestant will not be allowed to compete for the applicable category trophy for the duration of the state tournament.

No contestant will be allowed to declare or change a special category declaration after firing their first shot. **There will be no exceptions to this rule.**

Failure to declare your special category does not constitute an A.T.A. category error. Please confirm your category before leaving the classification desk.

# OPTION DETAILS

## **PROGRESSIVE NEVADA JACKPOT 50's!**

**6 Ways to make a 50 and win! Any combination of 2 25 straights pays. – \$10.00**

The Nevada Jackpot 50s Option will be available in 5 handicap events at the 75th Nevada State Shoot starting Tuesday, October 24th through the Nevada State Handicap Championship on Sunday, October 29th.

There are 6 possible combinations to win (1+2, 2+3, 3+4, 1+3, 1+4, 2+4). Any 2 25-straight combination pays 50% of the balance in the appropriate jackpot, not including the current events entries. Ties divide. Balances will be posted at the Handicap Window before each eligible event.

## **LEWIS CLASS OPTION**

**4 Payment groups. 2 places paid in each group (divided 60% - 40%). Ties divide. – \$10.00**

In this Lewis Option, we will have 4 payment group classes. We will pay 2 shooters in each payment group. The top shooter in the group will receive 60% and the secondary shooter will receive 40% of that payments groups funds.

Your payment group class will be determined based on your score. Once the winners in each payment group class have been determined, the prize money will be distributed among them. This system is designed to give everyone the best chance to win.

Under the Lewis Class system, prize money is divided into 4 classes or payment groups. For example, if there are 50 shooters in a competition and the Lewis Class system has 4 payment group classes, each class would consist of the top 10 shooters based on their score. The prize money for each class is then distributed evenly among the shooters in that payment group class.

## **SUPER SINGLES 400 HOA LEWIS**
