Thank you for choosing **Pepper Heating & Air Conditioning, LLC** to serve you. We pledge to EARN THE RIGHT to continue satisfying all your heating and air conditioning needs by offering better, unique services which other companies do not provide. These services include:

DISCOUNTS: 10% OFF on parts and labor for repairs or replacements

PREVENTIVE MAINTENANCE PLAN: Overall maintenance costs are lowered while saving money on utility bills. Most service calls are predictable and can be avoided with semi-annual inspections and preventive maintenance. Our 2-visit preventive maintenance plan will return your heating and cooling system(s) as close as possible to their original manufactured condition. Regular cleaning, lubrication, inspection, and filter maintenance is essential to energy efficiency and to receive full lifetime value from your heating and cooling equipment.
