### Split System Air Conditioners

Amana Brand central air conditioning systems are designed to be perfect for any home. Even on the hottest days of the year, they can keep a home cool and comfortable. Don't choose between performance, durability, and optimum cooling comfort. Install an Amana Brand air conditioner and get all three. As you review the various Amana brand air conditioners, remember that higher SEER2 numbers reflect the more energy-efficient systems. For the greatest energy-efficiency savings, select an air conditioning system with the highest SEER2 rating.

<sup>†</sup> Complete warranty available from your local dealer or at [www.amana-hac.com](http://www.amana-hac.com). Limited Warranties vary by product model. To receive 10-Year Unit Replacement Limited Warranty and/or 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. The duration of warranty coverage may depend on the state in which you reside. Some states and provinces do not allow warranty coverage to be conditioned on registration. For a list of states and provinces that do not allow warranty coverage to be conditioned on registration, please visit [www.amana-hac.com/warranty-information](http://www.amana-hac.com/warranty-information) or, to request a paper copy of this information, please call us at 1-855-502-3903. Changes in law, regulations, or technology may result in an equivalent unit not being available. Other limitations and exclusions apply, refer to complete warranty details for full list of limitations and exclusions, as well as rights and obligations should an equivalent unit not be available.

<sup>†</sup> One-time Unit Replacement coverage and One-time Compressor Replacement coverage is available to the original homeowner for years 11-99 after the installation date through an ASURE Extended Service Plan. Complete details about the Extended Service Plan options available from your ASURE dealer.

## Additional information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

### WARNINGS:

Always use a licensed installer or contractor to install this product. Do not try to install the product yourself. Improper installation can result in water or refrigerant leakage, electrical shock, fire, or explosion.

Use only those parts and accessories supplied or specified by Amana Brand. Ask a licensed contractor to install those parts and accessories. Use of unauthorized parts and accessories or improper installation of parts and accessories can result in water or refrigerant leakage, electrical shock, fire, or explosion.

Read the Product Manual carefully before using this product. The Product Manuals provide important safety instructions and warnings. Be sure to follow these instructions and warnings.
