# Energy-Efficient, Variable-Speed Packaged Heat Pump

APH16H | APH16M UP TO 16 SEER | Up to 8.2 HSPF

Features to be proud of:

## Energy Efficiency

SEER or Seasonal Energy Efficiency Rating is a measure designated by the U.S. Department of Energy and gives you a good idea of the performance you can expect from air conditioners and heat pumps. At an up to 16-SEER cooling rating, the **Amana**® brand APH16M Packaged Heat Pump can deliver up to 8.2 HSPF (Heating Seasonal Performance Factor). When you choose an energy efficient **Amana** brand heat pump, year-round indoor comfort is combined with year-round savings.

## Quiet Comfort

You can be assured that your **Amana** brand packaged heat pump will provide you with quiet operation. To minimize operating sounds, we've combined quiet compressor technology with a high-density foam cover plus a fully-insulated blower compartment to provide unobtrusive performance.

## An enhanced level of comfort before and after your purchase

When it's time for a new indoor comfort system, you shouldn't have to sweat the decision of which manufacturer to choose. The legendary **Amana** brand, trusted by generations for its performance and reliability, gives you one less thing to worry about. Choose an **Amana** brand APH16H or APH16M Packaged Heat Pump with confidence, knowing you're getting world-class engineering, good ol' American craftsmanship and the finest materials from around the world.

### *Efficiency and longevity make this the total package*

When you choose the energy-efficient **Amana** brand APH16H or APH16M Packaged Heat Pump, you'll enjoy years of cost-effective, worry-free indoor comfort from a single, self-contained unit. Featuring quick and easy installation, as well as the protection of two limited warranties\*, it can deliver heating and cooling capacity from two to four tons, a Seasonal Energy Efficiency Ratio (SEER) of up to 16 and a Heating Seasonal Performance Factor (HSPF) of up to 8.2.

### *You'd be hard pressed to find a better compressor*

This packaged heat pump's most important component in terms of cooling efficiency and performance, is its compressor—the heart of the system's operation during summer months. These **Amana** brand Packaged Heat Pumps features an energy-efficient compressor.

### *The security of the Amana brand's amazing limited warranties\**

To truly seal the deal, the **Amana** brand APH16H and APH16M Packaged Heat Pumps are backed by one of the best warranties\* in the industry. The longevity of premium **Amana** brand products combined with this excellent warranty\* coverage offer you a level of purchase protection that's the stuff of legend.

## LIMITED WARRANTY\* PROTECTION

\* Complete warranty details available from your local dealer or at [www.amana-hac.com](http://www.amana-hac.com). To receive the 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

## EXTENDED SERVICE PLANS AVAILABLE

For even greater peace of mind, ask your dealer or visit our website at [www.amana-hac.com](http://www.amana-hac.com) for more details about **Assure**™, an affordable Parts and/or Labor Extended Service Plan for your entire **Amana** brand HVAC system.

## The **Amana**® brand APH16H and APH16M Packaged Heat Pump advantages:

- ✓ **Energy-Efficient Cooling Capacity** – Refrigeration grade premium copper tubing and aluminum fin condenser coil configuration delivers outstanding heat transfer properties.
- ✓ **All-Aluminum Evaporator Coil** – A single metal solution that is designed for enhanced durability and performance.
- ✓ **Comfort Speed™ Technology** – Designed to automatically adjust output based on cooling demand – full, 100% capacity for extreme temperatures, and reduced capacity for milder days. A system with **Comfort Speed** technology may lower your energy costs when compared to a single-speed unit that only runs at 100% on or 100% off.
- ✓ **Self-Contained Packaged Unit** – Designed for multi-position installation.

UP TO  
**16 SEER**  
UP TO  
**8.2 HSPF**

Model	SEER	HSPF	EER	Capacity	Installation Options
APH16H	Up to 16	8.0	Up to 13	2-5 Ton	Dedicated Horizontal
APH16M	Up to 16	Up to 8.2	12	2-5 Ton	Multi-Position

## A legacy of comfort

The impeccable reputation of an American original

**Amana** brand heating and cooling systems are a part of the enduring legacy of one of America's most recognized and respected brands. Originating eight decades ago in **Amana**, Iowa, the brand is synonymous with long-lasting, premium quality products — from home appliances to heating and air conditioning equipment. Chances are, you and generations before you have enjoyed the dependable performance and longevity the **Amana** brand continues to deliver.

Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit [www.energystar.gov](http://www.energystar.gov).

The ENERGY STAR® name and mark are registered trademarks owned by the U.S. EPA.

Some but not all models are ENERGY STAR® certified.
