

R-410A AND R-32 MODELS

Residential Packaged Units

Packaged systems sit on the ground or roof top outside your home and deliver quiet indoor cooling and heating performance from a single, self-contained unit. We have a full range of packaged units to meet your needs regardless of where you live. Packaged units are a great option as a replacement to an existing unit or for new construction.

* Complete warranty available from your local dealer or at www.amana-hac.com. Limited Warranties vary by product model. To receive the 10-Year Parts Limited Warranty and/or 99-Year Heat Exchanger Limited Warranty, online registration must be completed within 60 days of installation. The duration of warranty coverage may depend on the state in which you reside. Some states and provinces do not allow warranty coverage to be conditioned on registration. For a list of states and provinces that do not allow warranty coverage to be conditioned on registration, please visit www.amana-hac.com/warranty-information or, to request a paper copy of this information, please call us at 1-855-502-3903. Other limitations and exclusions apply, refer to complete warranty details for full list of limitations and exclusions.

[†] This furnace does not comply with the SCAQMD Rule 1111 nor the SJVAPCD Rule 4905 14 ng/J NOx emission limit and therefore is not eligible for installation in California's South Coast Air Quality Management District (SCAQMD) nor the San Joaquin Valley Air Pollution Control District (SJVAPCD).
